Wolverines Again Lose; Will Meet Lovelock On Sat.

Tahoe-Truckee Team Will Travel To Carson Tomorrow

BY JOHN FIRPO

It was the same story as two weeks ago as the Tahoe Truckee Wolverines again fell victims to the onslaught of "A" division teams. Yerington and South Tahoe were the victors, 48-41, and 50-29 respectively. Both losses and that of last weeks sent the Wolverines into the "A" division cellar with a poor 0-3 showing in conference and 3-4 overall record.

Friday the Wolverines hosted the Yearington Lions in what looked like a good first half for the home team. They led 10-8 at the end of the first half for the home team. They led 10-8 at the end of the first quarter and boosted this lead to 24-15 at the intermission. Yerington came roaring back in the third period, taking advantage of only 2 Wolverine field goals in that time and went ahead 29-28 at the three-fourths mark's conclusion. In the last frame the Lions took command with approximately 2 minutes remaining and forged ahead 44-39 on Guard Bob Tucker's 3 field goals. This was all they needed through as they went on to win 48-41.

Traveling across lake the next night they took on the South Tahoe Vikings of Al Tahoe. As in previous tilts the opposition was hotter and played good defensive ball while the Wolverines could do no right. The Vikings hit fast and hard leading 10-5 at the initial frame's end and stretching into a 18-11 advantage at the half. The third period saw both teams hitting considerably better than the first from the floor and the pace increased. The period ended 39-25, Vikings. The Wolverines tried to rally but their efforts could only show 4 points in the concluding 8 minutes, and the Vikings went on to win 50-29.

High point man for the Mountain Men against Yerington was center Rex Donaldson with 11 while teammates Craig Robinson and Bob Mercia each tallied 9. Despite their loss to South Tahoe the Wolverines did manage to have an 18 point performance by starter Craig Robinson.

In the J. V. prelims the J. V.'s came out some what better as they split the double tilts. Friday they also fell at the hands of the Lions' the junior Lions whipped them 58-48. Leroy Ryser put on a 22 point show in the "Cubs" losing cause.

At South Tahoe the "Cubs" won their 2nd ball game of the season against 4 losses by whipping the Jay Vee, 45-28. Bill Notley was top gun with 14.

Tomorrow the Wolverines travel to Carson to play the Senators who recently beat them 39-38 on the Mountain Men's court. Next evening they return home to host the Lovelock Mustangs in an "A" conference encounter. J. V. games begin at 6:45 while Varsity tilts are slated at 8:15.

McGLADE PRESIDES AT OFFICIALS' MEET

John J. McGlade, administrator of the Tahoe Forest Hospital, presided at the meeting of 38 officials, representing 16 hospitals in the Sacramento Valley Hospital Conference at Marysville last Wednesday. Avery Millard, executive director of the California Association, was the principal speaker.

McGlade was recently elected to head the valley organization.

JOHN BISHOP IS HURT IN LEAP FROM LIFT

John Bishop, 29, a member of the Sacramento Ski Patrol who lives in San Rafael, Marin County, is in the Tahoe Forest Hospital with a compression fracture of one of the vertebrae of his back.

Bishop was injured when he jumped 15 feet onto hard packed snow from the chairlift on Squaw Peak to go to the aid of a fallen skier. He is expected to be incapacitated for six months.

AUXILIARY HEARS OF NEED FOR EQUIPMENT

A regular meeting of the Donner Lake Fire Department Auxiliary was held at Donner Lake Lodge on January 15 where guest speakers were Dr. R. W. Affeldt and Dave Tremaine who discussed the vital need for more adequate equipment. Committees were chosen to assist in the presentation of the benefit show, "Around the World in a Daze."

Hostesses for the evening were Mae Baker, Dolly Harris and Gertrude Gilson.

SCOUTS BAKE SALE

On Saturday at 10 a.m., January 24, the Senior Girl Scouts will hold their bake sale in Welch's Hardware store. Proceeds from the sale will be used toward expenses of the girls attending the biennial senior Scout roundup to be held in July at Colorado.

Speaker To Talk On Prospects For Game Next Month

What impact the forthcoming North American championships at Squaw Valley, to be staged from February 21 to March 3, will have on the community will be explained at a luncheon meeting sponsored by the Truckee Donner Chamber of Commerce at Smart's Wednesday, January 28.

President N. F. Dolley said that Gordon Butterfield, a member of the press staff and public relations department of the VIII Olympic Games Organizing Committee, has agreed to address the meeting and answer questions relative to plans for the event.

The meeting should be of considerable interest to all residents of the area and particularly the business people and Dolley extended an invitation to all regardless of whether or not they are members of the sponsoring organization.

Lake Businessmen Named For Housing

KINGS BEACH—The North Lake Tahoe Business Association has been appointed the official Olympic Civic Housing Office for spectator housing for the North and West Shores of Lake Tahoe. The announcement was made by Louis P. Spitz, housing director for the VIII Olympic Winter Games.

Thomas L. James, president of the North Lake Tahoe Business Association stated that an office has been established and it will be staffed by Mrs. Esther Brown. Her work will be under the jurisdiction of the board of directors of the association.

The work of handling and placing the large number of requests for reservations will be started immediately. It is requested that motels and hotels in the area notify in writing, a complete list of the number of accommodations, the type, housekeeping or sleeping rooms, their rates, telephone number and proper post office address and any other pertinent information relative to their accommodations, in order to expedite the dispatching of requests. The P. O. address of the North Lake Tahoe Business Association is P. O. Box 285, Kings Beach, Telephone LIberty 6-2478.

The business association is working on plans top provide a method of having adequate transportation facilities covering the area from Crystal Bay to Squaw Valley and from Tahoma to Squaw Valley during the period of the Olympic Games. Discussion will be held with the various transportation companies in order that a satisfactory arrangement can be completed.

A general meeting and dinner of the association will be held at the Crystal Bay Club, Wednesday evening, January 28, at 7 p.m., business meeting at 8 p.m. Everyone in the area is invited to attend.

CHURCH WOMEN TO HOLD DINNER HERE

Members of the W. S. C. S. are making preparations for their Valentine dinner to be held February 6 between the hours of 6 and 8 o'clock in the Church of the Mountains in Truckee.

Dinner tickets will be sold prior to the event and at the door if they have not been previously bought, for the modest price of $1.25 for adults and 50c for children.

PROGRAM ENJOYED AT ROTARY MEETING

Rotary Club members of Truckee invited their ladies to a dinner party Monday evening, held in the Donner Hotel.

Mrs. William Randall led the community singing during the program and Mrs. Ray Hartsten pleased with accordion selections.

Mr. and Mrs. Ed Hellar were guests of the affair. The January 26 meeting will be held in Donner Lake Lodge when the members will hear John Charters of a Reno tractor concern while he shows moving pictures of road conditions. Ray Hartsten will be program chairman.

Berliners Buy House—

District Attorney and Mrs. Harold Berliner and their six children will soon move into their newly purchased house in the vicinity of Grass Valley.

Deputy Accused Of Church Theft Held Under Bond

Hooper Admits Guilt, Says High Living Caused His Trouble

AUBURN — Burton G. Hooper, a contractor and honorary deputy sheriff, has surrendered to Placer county authorities who sought him on a grand theft charge.

Sheriff William A. Scott said Hooper, 59, of Kings Beach, Lake Tahoe, admitted cashing fictitious checks against the Our Lady of the Lake Catholic Church at Lake Tahoe last year while he was superintending the building of a church.

He's accused of making off with more than $3,800, and Scott quoted Hooper as saying he used the money for high living.

The sheriff explained that Hooper would make out a check to a fictitious person, endorse it and cash it in a Lake Tahoe store, saying he was cashing it for a worker. He disappeared December 8 after Father P. J. O'Neill, pastor of the church, pressed him for an accounting.

Officers said Hooper is an ex-convict who served in the state prison for embezzlement and bad checks. He is held in lieu of $20,000 bail.

Legislators Scan Olympic Progress

Although a few were frankly critical and others were enthusiastic over the progress being made in preparing for the 1960 Winter Olympic Games, state legislature for the most part adopted a "wait and see" attitude during their inspection trip to Squaw Valley Saturday.

A group of 60 legislators, accompanied by other state Olympic officials made a tour of the Valley, rode the lifts and enjoyed the luncheon and meeting held in the nearly-completed press building.

Prentis C. Hale, president of the organizing committee officiated at the meeting held following the luncheon, told visitors of the work planned and answered questions.

Hale emphatically denied rumors that the games would cost up to $30,000,000 and explained that with the $16,000,000 already appropriated from the state and federal governments and the anticipated ticket sales and sale of television rights, the commission hoped to have money to return to the state.

A great saving to the state, Hale explained, would come from $2,000,000 in federal equipment on loan for the conducting of the games as well as valuable timing and tabulating equipment from national corporations. As a matter of fact he explained, many large concerns were volunteering equipment which were it not on loan would have to be purchased by the state.

The group arrived from Sacramento via Greyhound buses, were taken on the conducted tour and given an opportunity to question the various Olympic officials before returning at 4 p.m. to the capital.

LOCAL CHAMBER IS AID IN RECEPTION

The Truckee Donner Chamber of Commerce was called upon Saturday to assist the management of the Mapes Hotel in Reno to prepare for the reception of Governor Edmund (Pat) Brown of California, who was a special guest at the inaugural ball for Governor Grant Sawyer in Carson City.

In making last minute preparations the hotel manager, Gordon Hooley discovered that there was no California Bear Flag available in the neighboring state.

He put in a call for N. F. Dolley, president of the local chamber and the local official located one in the office of Judge F. W. Wilson which was immediately dispatched to Reno and put into prominent display.

WYETHIA CLUB WILL HOLD MEET FRIDAY

Mrs. W. Randall, president of the Wyethia Club announced that an important meeting will be held at 8 p.m. to-morrow evening in the club edifice and all members are urged to be present.

Mrs. M. King will be hostess during the refreshment hour following the business session.

SUNBEAMS

By WALTER M. BARRETT

It would be nice indeed to report that the annual March of Dimes is no longer needed—that all boys and girls, as well as the adults—are back on their feet and living active normal lives. Unfortunately, that is not the case and today the demand for cash to continue the work of rehabilitating the thousands of cripples is as urgent as ever. The familiar little containers are widely scattered but our recent observation indicates that they are not receiving the monetary attention to which they are entitled. It would be our suggestion that when you are paying your tag that instead of picking up the change, you ask the cashier or clerk to drop it in the March of Dimes containers. If all of us gave just a little, it would be a big help, but where we ignore the plea entirely, we'll certainly fall behind in a cause which demands our full cooperation.

Auxiliary Planning For Benefit Show

The Donner Lake Fire Department Auxiliary is sponsoring a musical revue entitled "Around the World in a Daze" to be presented at the Veterans Memorial Building in Truckee January 30 and 31.

The director, Miss Doris Kash arrived Monday to start rehearsals for the affair which will be a benefit for purchasing fire fighting equipment.

A number of outstanding acts with local talent, including instrumental and vocal numbers, impersonators and skits will be presented and anyone in Truckee or the surrounding communities who is interested in taking part is urged to contact Miss Kash at LU 7-3758 or Mrs. Laura Horman at LU 7-3665.

MONEY IS URGED ON TRUCKEE RIVER JOB

Nearly $2 million for work on the Washoe project was included in President Eisenhower's budget for the 12 months beginning July 1, 1959, according to a press dispatch from Washington.

Army engineer project for the fiscal year include:

Truckee river and tributaries, $500,000.

Bureau of reclamation projects include:

Washoe project, Prosser Creek dam, $1,600,000.

BAY AREA DOCTOR WILL PRACTICE HERE

Gardner Pier, M.D., of San Rafael, a widely known surgeon and general practitioner, has associated with Dr. Ben R. King in the practice of medicine and surgery here. For the time being, Dr. Pier is coming up only on Fridays and Saturdays but may come here permanently later in the year.

Dr. Pier owns property in Squaw Valley and proposes to build later on.

ONLY 650 APPLY HERE FOR AUTO LICENSES

Up until Monday only 650 of a potential of more than 2200 local vehicle owners had applied at the local office of the Department of Motor Vehicles for renewal of the licenses.

Richard Paddock, in charge of the Truckee office, said that with renewal period ending February 4, it is hoped that vehicle owners will not wait until the last few days and thus avoid confusion.

The office is open daily Monday and on Saturday mornings during January to accommodate applicants.

During the renewal time, Paddock said, no driving tests are being given and no drivers licenses issued.

FORMER OFFICIAL DIES

Richard Kirman, 82, former governor of Nevada, died in a Livermore, Calif., hospital Monday after a brief illness. He retired from business five years ago.

Governor Selects Commission For Olympic Contests

Three Former Members Of Board Re-named By Gov. Brown

Governor Edmund G. Brown this week announced the appointment of three members of the California Olympic Commission and the selection of two new members.

The two new officials are Harold A. Berliner, internationally known Olympic official from San Francisco and Sterling S. Cramer, a Curry Company executive from Yosemite. Berliner is the father of Nevada County's district attorney, Harold Berliner of Nevada City.

Both Cramer and Berliner are active in Olympic planning and the latter is on the finance committee of the Organizing Committee, having been appointed recently by Prentis C. Hale, the president.

Reappointed by Governor Brown were Charles R. Blyth, the commission chairman and prominent San Francisco financier; A. Andrew Hauk, counsel for the Union Oil Company from Los Angeles and a veteran skier, and Walter M. Barrett Truckee newspaper publisher.

Hauk, Berliner and Barrett met Saturday with the legislators and other state officials who made an inspection tour of the Squaw Valley area where the 1960 games will be held.

New Officers For R. A. M. Installed

Donner Chapter No. 39, Royal Arch Masons of Truckee held their annual installation of officers on January 16 in the Masonic Temple.

Most Excellent Companion William C. Leeson, grand high priest of the RAM in California, was the installing officer. Excellent Companion Harry Callender, inspector of the 7th District, was installing master of ceremonies. Excellent Companion Carl Evans, inspector of the 6th District was the installing marshal and Mrs. Alice Price was the organist. J. D. Anderson, retiring high priest, was host. A dinner preceded the meeting at Smart's and was well attended.

New officers installed were: O. J. Culbertson, H. P.; Stanley Zwarg, king; Ross Price, scribe; Harvey A. Klitzke, secretary-treasurer; Herman Tiedemann, captain of host; C. E. Mandeville, principal sojourner; H. E. Brooks, Royal Arch captain; W. E. Philippi, master third veil; John Rayburn, master second veil; William Drulias, master first veil; James McIver, P. N. P., sentinel.

This marked the first open installation held in Donner Chapter for many years and from the favorable remarks made it is planned to make it an annual occurence.

Refreshments were served in the banquet room after the ceremonies.

DISTRICT VOTERS ARE REMINDED OF DATES

KINGS BEACH—The North Tahoe Fire Protection District wants to remind voters of their district that the annual election for one commissioner for a three year period is coming up.

The first day for signing nominations petitions is January 23 and the final day February 13.

Unless there are more than one nominee for the position and no petition signed by five per cent of the voters requesting an election, the supervisors may on April 1 appoint the commissioner. If an election is warranted it will be held April 7.

STEEPER HONORED AT WILLAMETTE COLLEGE

Richard Streeper, a junior, attending Willamette university in Salem, Oregon, has been recently elected reporter of Phi Delta Theta for the coming spring semester.

He is the son of Mr. and Mrs. L. S. Streeper of Kings Beach.

He served in the Navy for two years before entering Willamette.

He is majoring in Philosophy. Dick served as warden and scholarship chairman in preceding semesters in Phi Delta Theta.

Business Visitors—

Mr. and Mrs. Tom Borneman of Greenville, were Friday business visitors in Truckee.

Seven-Story Motel Is Proposed For Tahoe City Soon

TAHOE CITY—If plans now being formulated, and in the hands of Placer County Planning Commission, are completed, Tahoe City will have the tallest building in the county.

Mr. and Mrs. Wendall Russell, owners of Russel'ln Pines have applied for permission for a zero setback on Grove Street at Cedar Court to provide for the erection of a seven story structure to house 30 units and a ground-floor parking area.

At a meeting of the Tahoe City Building Committee comprising Carl Bechdolt, Sr., N. R. Mayfield and C. W. Vernon, unanimous approval was given to the plan submitted by J. R. Horton representing the International Structure Company of Oakland, who proposes to erect the building before the coming summer.

While details of the building are not immediately available, the building committee was advised that the ground floor of the structure will house the central heating plant and provide parking. The seventh floor will be used as a lounge and coffee shop while the center five stories would house the hotel units. An elevator would be included in the plans.

The new structure would adjoin the present Russell property and permission is awaited from the planning commission to start work. A number of local business people were questioned by the housing committee and none objected to the plan.

Lou Spitz To Take Nevada State Post

Louis Spitz, head of the VIII Olympic Winter Games Organizing Committee's housing department, will soon become head of the Nevada Motor Vehicle Department.

Governor Grant Sawyer announced the appointment of the popular Spitz, a former captain in the Reno police department, following the requested resignation of Ellis Folsom, a republican.

Spitz, 45, will receive a salary of $9,600 a year and will assume his new position tomorrow.

A successor as housing director for the Olympic Winter Games, will be named by the organizing committee in the near future.

THREE FROM LOCAL AREA ON COMMITTEE

Three Tahoe-Truckee area residents have accepted appointments on the Sierra Junior College vocational advisory committee named to assist in working out a vocational training program to be set up when the college moves to its new campus at Rocklin.

Listed by district superintendent Harold M. Weaver are: Reginald Smart Truckee; Charles Henrikson, Tahoe City, and Mrs. Herbert Gunkel, Brockway.

Thirteen other members from Placer and Nevada counties have agreed to serve, Weaver said. He indicated the first meeting will take place next spring.

NEW ASSEMBLYMAN ON WATER GROUP

Paul J. Lunardi, former mayor of Roseville who was elected to represent the Sixth Assembly District, was appointed vice-chairman of the newly created assembly committee on water.

It will be recalled that several months ago Assemblyman Lunardi outlined a five-point water development program designed to benefit his area and all of the State of California. At that time he recommended five vital and constructive steps.

WORK SUSPENDED ON BOCA FREEWAY JOB

The division of highways announced that work has been suspended for the winter on the project to convert the portion of Highway U. S. 40 from Boca to Floriston to full freeway. This is the fourth of the major construction projects on this route located in the high Sierras that have been suspended because of winter conditions. Work on all four projects, highway officials said, will resume as early in the spring as weather will permit.

Bill Introduced To Provide For Span At Emerald Bay

Swift Berry Introduces Bill To Have Dangerous Route Changed

Two bills advancing the eventual construction of a low-level highway on the west side of Lake Tahoe, including a bridge across the mouth of Emerald Bay, were introduced in the state senate today by Senator Swift Berry of Placerville.

SB 146 authorizes the state highway commission to adopt a new route across D. L. Bliss State Park and Emerald Bay State Park, and specifies across the mouth of Emerald Bay.

The measure also authorizes the department of public works to construct the highway, and directs the state park commission to provide the necessary rights-of-way across the state parks.

Controversy has raged for some time over whether the state should bridge the mouth of Emerald Bay, the state park commission being against the procedure, contending it should be kept in its "natural state", even though public usage demands such a route as proposed by Berry.

The division of highways contends that the low level route is the cheapest in the long run, and indicates a bridge can be constructed which will not mar the so-called natural beauty of the bay.

Berry's second bill appropriates $2,000,000 to proceed with the work.

Hospital Rates Up To Meet High Costs

At the recent reorganization meeting of the medical staff and board of directors of the Tahoe Forest hospital, Dr. Walton Preston was chosen as chief of staff and Dr. Monica Briner, secretary of the former group. I. Firpo was elected president of the board, replacing Asa Abbott and Charles R. Heller was named secretary. Daven Morey was renamed treasurer.

After a thorough study of the rate structure, the board followed the recommendation of Administrator John J. McGlade and the auditors and voted a room rate advance to meet the growing costs of operation. The rate, which will go into effect tomorrow, January 23, is the first advance for more than two years.

The semi-private room rate was advanced from $17 to $19.50 daily, while private rooms in the future will be $23 instead of the current $20.

HOUSING SURVEY OF THIS AREA STARTED

A housing survey to provide adequate accommodations for spectators to the 1960 Winter Olympic Games is being started by the Truckee-Donner Chamber of Commerce, which has been designated as the official housing agency.

The survey will be made by Mrs. Patsy Tonini, chamber secretary, assisted by Mrs. Eve Popovich, a member of the board of directors. All hotel, motel and other owners of rooms for rent are to be contacted or may call either the Truckee chamber or Mrs. Popovich to list their accommodations, rates, etc.

Applications for housing will be turned over to the chamber for processing and listed rooms will be reported to the applicants by classes to be designated.

MRS. BRADBURY DIES FOLLOWING ILLNESS

TAHOE CITY—Friends throughout this community were saddened to learn of the death Saturday of Mrs. H. C. Bradbury. Death occurred in Oakland after a protracted illness. The Bradburys were widely and favorably known here. Funeral services were held Monday.

Surviving are her daughter, Athol, a son, Floyd and several grandchildren and great grandchildren.

ARTISTS WILL MEET AT JOLLY'S STUDIO

A second meeting of the group of potential artists and those more advanced will meet from 7 to 8:30 p. m. January 27 in Jolly's studio on Riverside Drive to continue their study.

Fourteen were present at the meeting this week, Mrs. Eugene Welch said and all who are interested are welcome to attend the next conclave.

HOURS CHANGED

The hours of the food sale to be held by the Order of Rainbow for Girls have been changed to 9 to 12 a.m. at the Stop N Shop in Kings Beach and to 2 to 5 p.m. at the Village Store in Tahoe City. The two events will be held Saturday, January 24.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO - (CNS) — The announced intention of an assembly sub-committee to attempt to switch control of development of the state's beaches and parks program back to the governor's office comes not as a complete surprise.

The legislature occasionally finds itself the victim of agencies it it has created. Such conditions are tolerated, in varying degrees of acceptance, for a time. But, if something isn't done and the bureaucrats involved do not take the hint, legislation usually follows.

Thus bills have been passed in the legislature and constitutional amendments approved by the people when the underlying purpose actually was to depose one man.

At present, the state park commission has complete jurisdiction on where and how the taxpayer's money is spent for acquisition, development and operation of the beaches and parks system. It's true that the money comes from tidelands oil royalties but, if it were not reserved for the B & P program, it would go into the general fund, with the result less taxes would be required. Thus, it's apparent that we're talking about taxpayer's money.

The division of beaches and parks is under the commission and a part of the department of natural resources. The director of the latter department is appointed by the governor, to serve a term at his pleasure. The commission is appointed by the governor for specified terms. The chief of the division is appointed by the director of natural resources, after being selected by the commission.

If this has the ordinary reader confused, it's only because that's the way it operates. The result, of course, is a confusion of jurisdiction and responsibility.

When such indirect jurisdiction is in effect, experienced bureaucrats are quickly to take advantage. The present chief, Newton Drury, is experienced and is no exception.

Of course, the fact that the assembly sub-committee attempting to bring about the change is headed by Assemblyman Jesse Unruh (D-Los Angeles) is somewhat significant. Unruh headed the southern California campaign of Gov. Edmund G. Brown and is slated to be Brown's personal floor leader in the assembly, as chairman of the ways and means committee.

Also of some significance is the fact that the chairman of the park comimssion is Joseph R. Knowland, Oakland publisher and father of Sen. William F. Knowland who opposed Brown in the governor election.

Thus the shots that are called when the 1959 legislative session opens have more to them than the fact a number of legislators have been irked with the commission and division for some years. They have charged the commission and division disregarded explicit directions of the legislature.

Beaches and parks, like highways and fairs, are close to the hearts of all legislators. While highways and fairs are pretty well out of the hands of the legislators, there's still plenty of opportunity for "pork barreling" on beaches and parks. The only trouble now is that when the legislature votes to establish a park or a beach in a certain place, and appropriates the money, the park commission may disregard it and go along with its own plans.

Thus the legislation expected early in 1959 would return control over the program to the governor.

Drury, who becomes 70 in April and must retire, has announced plans to retire, effective May 1. Thus Unruh's sub-committee will attempt to pass urgency legislation to take the appointment away from the commission (and Knowland) before Drury retires.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

SECOND GRADE: The second graders made beautiful get well cards for their teacher.

The class is starting a new social studies unit on the dairy farms. Bruce Leamon and David Capel did research at home and brought in information. Joe Mercia and George Franceschini drew a map of the United States.

Best spellers this week are: Charles Anfield, Terry Higgins, George Franceschini, Kathy Stowe, Curt Wurst, Curt Mullis, Joe Merica, Sandra Eckerman, Michelle De Lisle, Steven Maynard, Claudia Rhoades, Tammie Richards and Jonathan McLane.

THIRD GRADE: John Clark, Barry Waters, Diane Daly, Jennifer O'Bear, Thomas Holleman, Michael Kydd, Kenneth Bretthauer, Chris Kumle, and Robert Goldsmith all received 100 per cent in spelling today. We are also proud of John McGlade, Richard Daniels, Stephen Schooley, Thomas Romo, Carol Brown and Daniel Funk who showed great improvement and missed but one word in the weeks spelling tests.

THIRD AND FOURTH GRADES: Recent arithmetic tests showed much improvement being made by David Higgins, Dana Scanlon, and David Curtis.

Unexpected "desk checks" by class members show Wilbur Glenn, Jill Wurst, and Linda Russell to be outstanding housekeepers.

Pam Horman and Rod Farley are in charge of our foreign country display.

Elgin Johnston has reported on 50 library books so far this year.

FOURTH GRADE: The spellers of the week were Darlene Doolittle, Gail Englehart, Chris Foster, Beverly Holleman, Marianne Moore, and Terri Richards.

In writing about the California Indians Billy Hobbs, Beverly Holleman, and Darlene Doolittle wrote fine articles. Tim McLane proved his reasoning ability by scoring an outstanding in social studies. Craig Mullis, Gail Englehart, Chris Foster, Tim McLane, and Garee Lynn Stewart excelled in a hard arithmetic quiz.

FIFTH GRADE: With the spring like weather of Friday thawing out the ice on the courts, the fifth grade basketball team resumed their competition with the sixth grade. With Monty Straub, John Besio and Mark Moore leading the way they managed to beat the sixth grade 10 to 3.

Debbie Ellis and Dianne Pankoke are in the preparation stages of planning a ballet to be staged at a later date.

SIXTH GRADE: The sixth grade had an election. Those elected were: Dennis Douglas president; David Sorani, vice-president; and Ardend Foster secretary-treasurer.

We had an arithmetic test in fractions today, those who made 100 per cent were Judy McGwinn, Dennis Stumbaugh, and Darlene Case.

KINGS BEACH SCHOOL

The Clown is the movie that will be shown in the Kings Beach multi-purpose room, January 30, 1959, at 7 p.m. The admission is 25c for children of all ages and 50c for adults. Your attendance will be greatly appreciated.

Betty Christiansen, student body secretary wrote a thank you letter to Mr. C. Wainscoat for roasting our Thanksgiving and Christmas turkeys.

KINDERGARTEN: Penny Jephson, Clark Phister, June Hampton and Allen McDonald helped plant an indoor vegatable garden.

FIRST GRADE: This week we have a new girl in our class, Christine Rasmusson. We now have 34 first graders.

In our trial spelling test these people made 100 per cent: Patty Graton, Ricky Decker, Sally Templeton, Billy Osincup, Ricky Holley, Jeannie Albin, Rhonda Stevens, Lana Hill, Janet Stumbo, Jimmy Baxter, Larry Gibson, Debbie Rich and Hazel Waincoat.

SECOND GRADE: This week, the entire class has been busy writing original stories.

Cindy Plunkett returned after three weeks vacation in Arizona.

Karen Malley is ill with an infected ear. We hope she gets well soon.

THIRD GRADE: We are starting a health unit. Our first project in this subject is a wheel showing the Basic Seven Foods.

We are all very pleased that Jan Jensen's father, Jackie Jensen, was selected as the athlete of the year by the Sierra Nevada Sportswriters Association.

SIXTH GRADE: We are studying Brazil in Social Studies.

We held our last class club meeting last week. The officers that were elected were: president, Bob Holley; vice-president, Sharon Nyblom; secretary, Eddie Hoff, and sargeant-at-arms, Estelle Howell.

Decimal fractions are our main subject in math. We had a language test that ended our unit of "Words Have Names". The students who got 100 per cent were: Eddie Hoff, Sharon Nyblom. Estelle Howelle, Bob Holley, Wendy Boatman, Susan Graton, Marie Waincoat, and Lisa Davis.

SEVENTH GRADE: The seventh grade is having their tests of their scholastic ability.

Skiing lessons have started on Monday, and there are fourteen in our class taking them. They are as follows: Greg Thompkins, Mike Knittel, George Day, Bruce Thompson, Sandra Snyder, Harry McIntire, Larry Free, Kathy Ploof, Betty Christensen, Rik Krips, Peggy Cernusak, Jimmy Hilgesen, and Dana Neustaedter.

Mr. Shepherd from the Reno Weather Bureau visited our class. Kathy Ploof, secretary of our class, had written Mr. Shepherd inviting him to visit us.

The new captains and co-captains for theP. E. teams were elected. In the girl's teams, captains are Peggy Cernarak, and Mary Ann Spitsen. Co-captains are Lee Elliott and Sandra Riggs. For the bovs teams, captains are Jimmy Hilgesen and Greg Thompkins. Co-captains are Ricky Krips and Mike Knittel.

In the science tests, people who received A's were Bob Holley and Lee Elliott. Those receiving B's were Lee Heise, Kathy Ploof and Brad Thompson.

The Kings Beach P. T. A. urges you to buy tickets to the Annual Benefit Dance and Buffet, January 23.

TAHOE LAKE SCHOOL

KINDERGARTEN: 1959 brings the 6th birthday to kindergarten children. David Thompson, Steven Cross and Yvonne Baker celebrated birthdays during January. They were honored with hot gingerbread at mid-morning snack.

FIRST GRADE: Tahoe Lake first graders have started their spelling program with the family words. Top reading students this week were: Mindy Bechdolt, Dorothy Pomin, Sands Hall, Lisa Beckman, Sally Starratt, Jeanne Jones, Nancy Beavers, Laura Hoxsie, Peggy Hoff, and Colleen Howard.

SECOND AND THIRD GRADES: Highest grades in reading comprehension and in the interpretation of fables were made by Kathy Mockaitis, Heidi Henrikson, Vernice Bean, Cheryl Bechdolt, Jimmy Banta and Greg Pyle. All these papers were based on leading questions, but the facts had to be drawn and recorded by the individual child.

THIRD GRADE: The children who passed their three minute addition combination test on 95 to 100 per cent were: Kim Marvin, Tabor Fox, Dianne McBride, Karin Meixner, Steven Shaw, Tommy Hoff, Bill Rabska, Mike Burmer, Barbara Neilson, Tommy Easterly, Breezie Cross, Denise Henrikson, Anna Marie Conners, Janet Jorgensen, Ernie Marier, Ann Starratt, Bro Shontz, Leah Howard, Alice Brandstrom, Pamela Bradley, Mike Dempsey, Tommy Carnell.

FOURTH GRADE: Lynn Harper is our "spell-down champ" for the week, while Darlinda Stark became our multiplication "champ", Seventeen children in the class recieved hundreds in the weekly spelling test. The following children received "A's" in a 150 word spelling dictation: Tommy Barr, Lynn Harper, Darlinda Stark, Tad Hall, Paul Sullivan, Dick Pomin, and Chris Beavers. Perfect scores in the weekly social studies test were received by Chris Beavers Jon Caulkett, Tad Hall, Dick Pomin, Marty Spitsen, Paul Sullivan, Bill Cox, and Lynn Harper.

FIFTH GRADE: The fifth grade has just completed a Science unit on the human body.

The choir is rehearsing for its Easter Cantata.

WILD DUCK DINNER IS ENJOYED BY CLUB

KINGS BEACH—Members of the Brockway Rotary Club Monday night enjoyed a wild duck dinner through the courtesy of the sportsmen of the club. Guests at the affair included Bill Wion of Reno, T. F. Sheehan of Tahoe City and Bud Meixner of Lake Forest.

All the fines for the evening, along with the usual donation totaling $67, were turned over to the March of Dimes.

It was decided to hold the annual father and son night on February 9.

A bus has been chartered and the club members all set to go to Sacramento February 4 to meet with International President Clifford Randall.

The time used in sunrise and sunset tables is local civil time.

The well that made a wish come true

In the 1890's a wish came true at the little town of Tumwater, near Olympia, Washington. Here, flowing cool and clear from deep artesian wells, water of an extraordinary character was discovered. This was water equal to those used in brewing the famous beers of Bavaria . . . water which, in the years ahead, was to be responsible for the popularity of light Olympia Beer. It remains as true in this century as the last: *the more perfect the brewing water, the more perfect the brewing result.* Olympia's famous water is *naturally perfect for brewing* just as it flows from the earth . . . creating a beer of refreshingly different good taste.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

For the past week our weather has been like summer, temperature 50 degrees or more by noon, the Lake so calm with boats out fishing. The sunsets have been the most gorgeous sight, casting many colors on the water, and snow capped mountains.

BUS TOURS

There were twenty or more buses at Crystal Bay last week-end —some just tourists and others ski fans. Clubs were very active and everybody having a good time.

LIONS CLUB

Two new members were installed into the North Tahoe Lions Club last Tuesday night—Mr. Smith of the Siesta Pines and Eddie Moore of Tahoe Vista. District 4 N held a convention at Las Vegas. Those attending were Mr. and Mrs. Ed Francis, Mr. and Mrs. Ernie Crawford, Mr. and Mrs. Walt Mandeville and the Waddells, also the Otto Walters.

BACK HOME

Ray Plunkett of Incline Beach is back home—we are sorry to relate that his mother passed away while he was back east. Our deepest sympathy to you Ray, and the family.

SANTA BARBARA

Had a letter from the John Dixons. They are spending the winter at Santa Barbara and feeling real well—hope to be back at their home again before long.

IMPROVING

We are glad to report that Jerry and Theresa's mother is improving nicely. She is still in St. Mary's hospital of Reno. The girls take turns in staying with her and we all wish the best for them.

OPERATION

Suzie and Roy McMillan of Altadena had one of their two month old twins operated on a couple of weeks ago. The little boy 'Timmy' had a major operation, but was expected to be able to return home last Sunday. We hope he is recovering nicely by now.

IN HOSPITAL

Thelma Liddle, wife of Eddie Liddle, is in the Truckee Hospital quite ill, and everyone is hoping for the best and wishing her the best of health and will all be thinking of her.

TO L. A.

Elsa and Jerry Culbertson of the 'Hudson House' have gone to Los Angeles for a few days to attend a 'Gift and Novelty Show' Mrs. 'Babe' Klitske went with them as she has a sister who is quite ill in the hospital at Covina.

NICE FISH

Red Waddell caught a couple of nice trout the other day as did several others. Poor Dave Ashton says he would if he could but can't manage the big reel with that cast on. He is doing real well though and says at least he can paint the apartments.

BACK EAST

Sam Faulkner went to Chicago for a week—attending school. Ruby flew with him and went to Maryland to visit with her mother who is quite ill. Ruby will be gone for about three weeks.

TO ALASKA

Mrs. Parker and Sharon, both former employees of the Crystal Bay Club drove to Alaska last Monday. They were residents of Brassee avenue and we will miss them as neighbors, and at the club. They intend to go into business in Anchorage.

RECOVERED

We are glad to hear that Ray Ehlers, contractor of Incline Beach has just about recovered from an accident he received two months ago at home. Seems he was doing some work around his home and accidently ran into a deer horn hanging on the wall. It struck his eye ball, necessitating fourteen stitches—he says he was one lucky guy as his sight was restored.

BASE BALL STAR

Jackie Jenson, base ball star of Incline Beach attended the golf tournament of Bing Crosby. He seems to be quite a winter enthusiast of the Lake these days.

MARCH OF DIMES

Don't forget the Mothers March of Dimes on the 29th. They will make a house to house call. If you are not home or even if you are please leave a porch light on to help them. Let's all cooperate and make it a success for them—also don't forget the 30th at Crystal Bay Club—8 p.m. March of Dimes dance and buffet.

GATES CLOSED

TAHOE CITY—All gates from Lake Tahoe were closed this week and the lake level, subject to revision was 6227.23. No precipitation has been reported since January 13. The temperature ranged from 25 to 45 during the week.

BENEFIT DINNER

Sunday, January 25th at 5 p.m. is the date set for the John Bishop benefit dinner at the Beacon Hill Lodge. All proceeds collected at the dinner will be given to Bishop to help defray the expenses of the broken back which he suffered as the result of a jump he made from his seat on a stalled chair lift Saturday, following a false alarm cry of distress from another chair on the same stalled line. George Kaplanis, chairman of the committee making the arrangements for the dinner, says tickets may be purchased at Beacon Hill Lodge or from him. Many area skiers remember the great job John has done as a member of the ski patrol.

SUGAR BOWL

All tows were operating at the Sugar Bowl this week end in warm sunshine on a good cover of snow. Northern California Intercollegiate Class "C" jumpers were in the area to try out the jump in preparation for their January 30-31 and February 1st four way meet. Paul Chesney of Sierra Junior College in Auburn had members of his team out for coaching. The Sugar Bowl ski team try-outs are tentatively set for January 24 and 25, downhill and slalom.

BEER CELLAR

The new beer cellar located in the Soda Springs Hotel is still under periodic decoration. New additions this week include two wall paintings drawn by Robby Robinson while he was a guest in the hotel and painted by hotel guest Dee Trevisan of San Francisco who is an airline stewardess.

BASKETBALL

Terry Lapp and James Simmons of Soda Springs attended Truckee City League basketball practice on Wednesday evening at the Tahoe Truckee High School Gymnasium. Both will become team members to play throughout the season.

BIRTHDAY SURPRISE

Mrs. Nellie Kisor was hostess in her Norden home at a surprise birthday luncheon honoring Mrs. Dotty Loder Thursday afternoon. Festivities including the traditional birthday cake and gifts were enjoyed by guests: Mary DeWitt, Betty Hampton, Jane DelCarlo, Vivian Davis.

SKI PROGRAM

Thirty-five enthuiastic students of the Donner Trail School arrived at the Soda Springs ski hill Wednesday for their first lesson as part of the Tahoe-Truckee Unified School District "Learn to Ski" 10th annual program. A large class of beginners was instructed by Ed and Bety Aro. Eight children in the intermediate and advanced classes appreciated the skilled instruction of John Johansen.

FALSE ALARM

Debby Zorich was taken to the Tahoe-Forest hospital Sunday with an injured leg, as the result of a fall which she took while skiing at Soda Springs. Following a close examination of her leg it was decided that the bone was not broken and Debby has suffered a severe bruise.

NEW MANAGEMENT

The cafeteria style coffee shop located in the Soda Springs Hotel is now under the management of R. and Ilse Bisson.

WELCOME BACK

Patty Kelly was welcomed back to school on Monday by her classmates. She is wearing a cast which goes a little above her knee and walking with the aid of crutches.

SUMMIT SIT

Mrs. Betty Aro was a very gracious hostess in her Soda Springs home Wednesday evening to the ladies of the Summit Sit handiwork club. After a short tour of the area Ed Aro reported the meeting to be the liveliest gathering on the hill that evening. The ladies present, Gloria Reed, Ilse Bisson, Kaye Zoll, Jessie Thompson, Betty Aro, Betty Board, Zona Madden, Beverly Cardwell, Maxine Bounous, Valeta Mason, Mary Williamson and Donna Power, all enjoyed the delicious refreshments served. The next meeting will be held at Zona Madden's Big Bend home on January 28, weather conditions permitting.

WELCOME GUESTS

Mr. and Mrs. John Johansen welcomed Dr. Will and Mrs. Sally Pennings to their Soda Springs home for a short visit this week. Dr. Pennings is formerly of Holland.

PRINCIPAL ILL

James Simmons teaching principal of the Donner Trail School found it necessary to leave school Wednesday morning because of a sudden illness. He returned home and was able to take up his school duties again on Friday. We were grateful to have Mrs. Jean Menetta of the Doner Lake area filling in during his absence.

WELCOME BACK

Mr. and Mrs. Bill Strickland together with their sons, Bill and Bob, have moved from Donner Lake. Summit residents wish them a welcome back to their Soda Springs home.

BUFFET DINNER

Served Saturday evening to guests of the Donner Summit Ski Ranch was a delicious buffet supper. The large crowd in attendance enjoyed the pleasant evening of dancing and conversation.

TNT TIDINGS

By Nancy Watts

Last week a contest, sponsored by Student Council ended at TNT. The purpose of the contest was to find a theme for the Carnival this year, which will be some time shortly after basketball season. The person who submitted the best idea will win the prize of five dollars. The results of the contest will probably be known after the student council meets this week.

The samples for the senior announcements have come and ours have been chosen. The announcements are thermographed, and the cards can be either thermographed or engraved, in practically any style. Everyone is in a quandry about which style to use: "Which one looks like me?" They must be ordered by February 23rd.

* * *

The first semester ends at the end of this month. Final exams begin next week, with at least one test per day, and sometimes two. they will be 90 minutes long, and will seem to sound a doomday bell for many students.

* * *

The Lions Club Student Speakers contest is beginning for another. The subject for 1959 is: Complacency—A Danger to America. The rough drafts will be due on February 16.

DAMAGE TO SIGNS ON ROAD DANGEROUS

State highway officials said today that despite efforts to curtail the destruction of highway signs, by vandals, the expensive and dangerous practice is continuing. In the eleven-count District III, as an example, a total of 134 signs were destroyed in this manner during the past six months.

The dangerous aspect of this unnecessary destruction, these officials added that over 100 of the signs were of the warning and regulatory type. The damage of one of these types may lead some unsuspecting motorist into a disastrous accident.

The sign most commonly destroyed by vandalism is the stop sign. Close behind it come the federal and state route marker shields. However, a matter of great concern is the number of signs reading "Slippery When Wet", "Watch For Rocks", "Slide Area", and "RR" that are mutilated, these are the ones that may fatally trap the unsuspecting motorist.

State and county law enforcement officers are once again increasing their efforts to catch the marksmen with the twisted idea of what constitutes a target. They point out that not only is it against the law to destroy such signs, it is also illegal to fire a weapon upon a highway. The violators cannot only be fined, but can be made to pay the cost of replacing the damaged sign.

All officials concerned stated that it is extremely difficult to trap the violators. They are urging that all motorists come to their assistance and to report any such cases of vandalism they may witness, with the necessary information which may lead to the arrest of the violators, to the nearest enforcement officer.

AVALANCHE EXPERTS SPEAK AT MEETING

TAHOE CITY—The Tahoe City Rotary Club is learning more and more about what it takes to stage Winter Olympic Games. At the January 13 dinner meeting at Tahoe Inn, Dick Stillman and Monty Atwater, avalanche experts, showed a film and talked of avalanche prevention.

The film showed how, with the use of 75 and 105mm guns, the huge overhanging cornices of snow are blown off the mountain ridges above Squaw Valley. The men, both of the National Forest Service, said there is a four-man crew with the powerful guns located at points of safety for the gunmen and there are caches of dynamite for use where the shots cannot reach. They said the vibrations from shots will start a threatening avalanche, but the shooting must be done late at night or very early morning when it is certain that no one is on the slopes.

Stillman is on leave from the National Forest Service of Colorado and Atwater is from Utah.

Visiting Rotarians were, Clarence Osburn and Johnnie Richards of Truckee and Charles Cross, Sr. of Tahoe and Truckee. The 28 attending members voted to have the club secretary write a letter to G. T. McCoy, state highway engineer, to urge that he do all in his power for the bridging of Emerald Bay to provide for an all year highway between U. S. Highways 40 and 50, when the hearing convenes this month.

Vice president Bill Bechdolt presided in the absence of president Martin Spitsen, still ill with a cold.

IDEAL SKI CONDITION REPORTED IN AREA

NORDEN—With 2½ feet of snow on the floor of the valley and approximately four feet on the mountain tops, excellent skiing has been attracting thousands of winter sport enthusiasts to the Sugar Bowl Manager Walter Haug reported this week.

The Mt. Lincoln lift is especially good and is packed with powder. All facilities are operating, including the famous Magic Carpet. Many foreign skiers are taking advantage of the beautiful weather and ideal conditions.

The Sugar Bowl Ski Club Team try-outs will take place this weekend, January 24 and 25, slalom on Saturday and downhill or giant slalom on Sunday; courses set by Junior Bounous.

On January 30 - 31 and February 1st the class "C" jump will come into action when the Northern California Intercollegiate 4-way meet will be held here.

Party At Kings—

Dr. and Mrs. Ben King entertained several young friends of their son, Ben Bimbo King on his birth date, Saturday evening at a supper and theater party. The group enjoyed the cutting of the traditional cake, favors and opening of gifts for the young honoree.

Mr. and Mrs. Ralph Peer have returned to their winter place at Los Angeles. Local friends of the couple received Christmas cards, illustrating a recently discovered specie of camellia, mailed in November from Hong Kong.

Opening at the beautiful Nevada Lodge, year-round show spot of Lake Tahoe's North Shore, on the 21st of January were the amazing "3-D's", one of the finest young vocal and instrumental groups heard in a long, long while. Originally the "3-D's", trio started out as a vocal act, but being naturally blessed with lots of talent, it wasn't too long until they expanded and included instrumentals and comedy skits. To quote one of California's most well-known critics, "The 3-D's have swung so quickly into the 'standing room only' orbit with that Big Louis Prima-Jonah Jones sound that's the new rhythm fad of the 21-30 circuit."

NEW DEPUTY WILL BE ASSIGNED TO TAHOE

AUBURN—Lt. Robert Moustris of Placer County sheriff's office has been assigned to the Lake Tahoe area by Sheriff Scott.

He is expected to be on duty through the North American Ski championships at Squaw Valley in late February and early March.

SQUARE DANCE

All folk and square dancers and the public in general are cordially invited to attend the 8th annual Square and Folk Dance Festival to be held Sunday, February 1st at the Veterans Memorial Building, Grass Valley. There will be no admission charge to this colorful event, but donations to the March of Dimes will be gladly accepted.

CARD OF THANKS

It is a pleasure to thank the staff and personnel of Tahoe Forest Hospital for the excellent care given me during my recent stay there. I am also grateful for the many thoughtful messages and gifts sent by friends.

Hoop Series Opens With Two Contests

BY JOHN FIRPO

Last Tuesday night the local basketball league of Truckee opened their season with two exciting games. In the first contest the Marier's Mauraders took a 40-36 win over the Brown's Cafe of Truckee. In the second tilt of the evening the Pastime Club rolled past the American Legion of Truckee, 48-26

The primary tilt saw the Mauraders and Browns play a see-saw battle all the way down to the wire. The first quarter saw the Mauraders, led by Buster Marie, jump off to 14-4 first quarter lead. The Browns team bounced right back to tie it 18-18 at halftime. Then in the third the Mauraders took up the lead and were never headed despite a 36-36 tie with a minute left.

The second tilt proved to be less close as the Pastime built up quarter leads of 12-2, 28-13, and 36-21. The legionnaries were never quite in the ball game as they were cold from the floor all night. High point for the winners was Bob Tonini with 16 followed by teammate Gary Gunkel with 12. Mike Vieu tallied 10 points in the Legion's losing cause.

Tonight both teams and one other will meet in different games with the first beginning around 7:15. The league will continue to play on every Tuesday and Thursday of every week.

HEART FUND DRIVE STARTED BY LODGES

Donner Lodge No. 162, I. O. O. F. and Naomi Rebekah lodge No. 2 have appointed Charles F. Vind and Dorothy Slack to head the organization of the lodge members collecting funds for the Heart Association in Truckee on Heart Sunday, February 15th. The two will enlist volunteers from the lodge and others interested in making a door-to-dood canvass for contributions to the Heart Association's local, state and national program of medical research, community service and education.

"Heart trouble touches more families in Nevada County than any other disease," the chairman said. Of the 240 people who passed away in Nevada County in 1957, 150 died because of heart disease.

"A contribution to the heart association is the way we can all join in combating this health problem," Vind and Mrs. Slack said.

They noted that Odd Fellows and Rebekah lodges throughout the state would be participating in this Heart Sunday collection for the third year.

The Heart Fund has been indorsed by the Grand Lodge, I.O. O.F. and the Rebekah Assembly as "an outstanding public service dedicated to the better health of American People."

Mr. and Mrs. Stein Nielsen of Tahoe City are sojourning at Soquel.

GREAT BOOKS CLUB TO MEET AT TAHOE

Members of the Great Books Discussion Group are preparing for the beginning of their fourth year of reading. Next evening in the home of Bob and Naomi McLane, in Tahoe City, orders will be taken for new sets of books. Participants who miss that meeting should contact either Mrs. Hilda Hintz or Roy Baker and place their order.

The assignment for the January 28 meeting is Dostoyvesky's The Brothers Karamazov, Part II, Book V, Chapter 5 and Book VI, Chapter one through three. The McLanes will lead the discussion beginning at 8 p.m.
